IN THE INDUSTRIAL TRIBUNAL

GOVERNMENT OF GOA

AT PANAJI

(Before Shri Ajit J. Agni, Hon'ble Presiding Officer)

No. IT/6/87-R/56/96

Shri Suresh A. Kerkar,
Cortalim-Goa.

—Workman/Party I

v/s

M/s Hindustan Ciba Geigy Ltd.,
Santa Monica Plant,
Old Goa.

—Employer/Party II

Party I —Represented by Adv. Shri P. J. Kamat.

Party II —Represented by Adv. Shri C. V. Pawaskar.

Panaji, dated: 14-1-1997.

AWARD

In exercise of the powers conferred by clause (d) of Sub. Section (1) of Section 10 of the Industrial Dispute Act, 1947 (14 of 1947) the Lieutenant Governor of Goa, Daman and Diu by order dated 24th Feb., 87 bearing No. 28/56/84-ILD referred the following dispute for adjudication by this Tribunal.

"Whether the action of the management, M/s Hindustan Ciba-Geigy Limited Corlim, Ilhas-Goa is terminating the services of Shri Suresh A. Kerkar, Watchman with effect from 7-2-1984 is legal and justified ?

If not, to what relief the workman is entitled to?"

2. On receipt of the reference a case was registered under No. IT/6/87 and registered A/D notice was issued to the parties. In pursuance to the said Notice, the Party I (for short, 'Workman') filed his statement of claim. The facts of the case in brief as pleaded by the workman are that he was employed with the Party II (for short, 'Employer') since 14-4-1972 as a Watchman

at its Santa Monica Plant, Corlim Ilhas- Goa and his last drawn salary was Rs. 1396.55 p.m. That he was issued a show cause notice dated 15th Sept., '83 alleging that he has committed gross misconduct namely concealing material and factual position from the employer-Co; attempting to obtain leave of absence on false pretext of illness and obtaining and producing a medical certificate on false representation to the Doctor. That the workman filed his reply dated 21-9-83 to the show cause notice issued to him. That thereafter the employer conducted an enquiry in respect of the charges levelled against the workman and after completing the enquiry and on accepting the findings given by the Inquiry Officer the employer discharged the workman by way of punishment from the services of the employer-company. The workman contended that the charges of misconduct levelled against him are nowhere prescribed as acts of misconduct in the Certified Standing Order of the Employer-Company and that the enquiry held against him was conducted without following the principles of natural justice. The workman further contended that the Inquiry Officer was biased against him and the findings given by him are perverse as also the punishment of discharge from services awarded by the employer is harsh, excessive and disproportionate to the alleged misconduct. The workman contended that the termination of his services by the employer is illegal and unjustified and he is entitled to reinstatement with full back wages.

3. The Employer filed the written statement resisting the claim of the workman. The employer stated that the workman was involved in a criminal case and he was arrested by the Ribandar Police and was detained in Police custody from 27th August to 1st Sept., 1983 and was released on bail on 2-9-83. The Employer stated that instead of informing the factual position about the arrest, the workman mis-represented to the employer that he was suffering from typhoid and he was advised to take complete bed rest for 20 days w.e.f., 25-8-83. That even after he had received a letter dated 2nd Sept., 1983 from the employer, the workman did not give the factual position and instead submitted a reply dated 12th Sept., 1983 asking the employer to consider his case sympathetically on the grounds mentioned by him. The employer denied that the workman was under medical treatment for illness during the period. The Employer stated that the workman had mis-represented that he was suffering from jaundice and vomiting and had personally handed over a medical certificate dated 3-9-1983 from Dr. Chodankar in respect of his illness when he had earlier represented that he was suffering from typhoid and that he was examined by Dr. G. K. Salekar which did not reveal any trace of him being suffering from jaundice in the recent past. The Employer stated that the workman had abstained from work on false grounds and therefore he was charged for committing acts subversive of discipline and good behaviour and was called upon to submit written explanation on or before 19-9-1983. The employer stated that the explanations given in the reply by the workman were not acceptable and hence an enquiry was held into the charges levelled against the workman and he fully participated in the said enquiry. The employer stated that the enquiry was conducted in accordance with the principles of natural justice and the provisions of the standing orders and the workman was given full opportunity to defend his case and cross examine employer's witnesses. The employer stated that the findings given by the Inquiry Officer were based on the evidence on record which were accepted by the employer and after taking into account the past record of service of the workman the employer decided that the workman should be discharged from service by way of punishment for the misconduct proved against him and accordingly by order dated 24th December, 1983 the employer directed the workman to show cause as to why he should not be discharged from service. In reply to the said show cause notice the workman denied that he had committed any breach of the Standing Orders and stated that entire enquiry was vitiated. The Employer stated that since the workman did not show any cause against the proposed punishment the employer by letter dated 7th Feb., 1984 discharged him from service w.e.f., 7th Feb. 1984 and a sum of Rs. 1396.55 was remitted to him by two separate money orders. The Employer stated that the termination of the services of the workman is legal and justified and the workman was not entitled to any relief claimed by him. The workman thereafter filed his rejoinder to the written statement filed by the employer.

4. On the pleadings of the parties issues were framed and the parties led evidence on the said issues. This tribunal by award dated 10-8-1988 held that the action of the employer in terminating the services of the workman w.e.f., 7-2-1984 is legal and justified and he is not entitled to any relief. Against the said award the workman filed Writ Petition No. 406 of 1988 in the Hon. High Court of Judicature at Bombay, Panaji Bench, and by judgment dated 17th August, 1994 the said Writ Petition was allowed and the award was quashed and set aside and the employer was directed to reinstate the workman forthwith with full back wages and all the accrued additional benefits mentioned in the said judgement. The employer filed Letters Patent Appeal No. 7/1994 against the said judgment in Hon. High Court of Judicature at Bombay, Appellate Side, Panaji Bench. The Hon. High Court by judgment dated 5th October, 1996 allowed the appeal partly and remanded the matter back to this Tribunal with a direction to record the evidence of both the parties on the charges levelled against the workman and to dispose of the matter by 30th June, 1997.

5. On receipt of the Writ from the Hon. High Court, notices were issued to the parties and the parties were directed to lead evidence on the merits of the case. On 6-1-97 when the case was fixed for hearing the parties appeared along with their Advocates and submitted that the dispute between them was amicably settled. The workman and the employer filed the terms of settlement dated 6-1-97 duly signed by them along with their Advocates and prayed that consent award be passed in terms of the settlement. I have gone through the terms of the settlement dated 6-1-97 Exb. 3 and I am satisfied that the terms of the settlement are certainly in the interest of the workman. I, therefore, accept the submissions made by the parties and pass the consent award in terms of the settlement dated 6-1-1997 Exb. 3.
